## FANTEC HUB BOX Full HD Media Player

The FANTEC Smart TV Hub Box allows you to view your TV programs due to the many apps and services available. All content is available immediately and without installation due to a preset and for display on TV's optimized port. This way every television is turned into a Smart TV, and provides access to the interactive options of Internet.

### Media libraries

With access to various media libraries you have access to already broadcast TV programs and you can watch these anytime you want again on your TV set.

### TV shows & series

Using the many apps and services you can find complete program guides of German comedy and TV series that you can watch anytime and as many times as you want for free with the FANTEC Smart TV Hub Box.

### Enjoy your music

Other highlights are Internet radio broadcasters and music portals with which the user can watch video clips of various concerts or can create a music program consisting of music and music clips consisting of his own preferences.

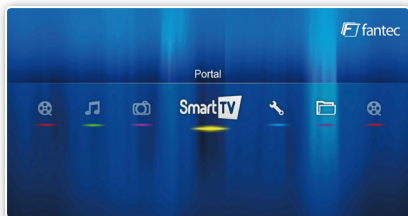

Hundreds of **services & apps** - recently & directly available

## Services

TV guides, News Magazines, Magazines, Real Estate Portals, Maps/Navigation Services, Weather Forecasts, Recipes, Web shops, and on line Auctioneers are all available in the comprehensive offer of the FANTEC Hub Box.

## Fun

Interactive games, that can be played directly on your TV, ensure that your family will be entertained to the max.

## Full HD home cinema

FANTEC's Smart TV Hub Box is equipped with a high performing Media Player feature, that in addition to Full HD 1080P films and 3D films (either in SbS or TaB format) can also play music and photo's in a variety of formats.

## Browser

If you do not find what you are looking for amongst the hundredths of services and apps, many of them from Germany, you can always use the built-in free Internet browser and conveniently surf from you sofa on the Internet.
