

FANTEC QB-X8US3R

Back up your data on the FANTEC QB-X8US3R with space for up to eight SATA hard disks in one enclosure. The different RAID modes offer various settings for data redundancy and data security. The flexible SUPERSPEED USB 3.2 Gen 1 and eSATA interfaces ensure lightning-fast data transfer. Simple installation thanks to Plug & Play. The built-in temperature sensor automatically controls the two 80mm fans and ensures optimal cooling of the hard disks. The sync mode switches the automatically when the computer is shut down.

- 1 2x thermal controlled 80mm fans
- 2 eSATA connector
- 3 SUPERSPEED USB 3.2 Gen 1 connector
- 4 Power supply
- 5 Power button
- 6 Status LED for interface selection
- 7 Status LED for fan speed
- 8 Status LED for RAID mode
- 9 Button for interface selection
- 10 Button for fan speed selection
